2017 TEAM REGISTRATION

Registration Payment Policy

Please complete this form and include with your team payment. In order to secure a spot in this year's race a 50% deposit is required. We anticipate the need for a waiting list, therefore team spots will be given on a first-come basis as long as at least 50% is submitted with registration and 100% payment is provided by 4/15/17.

If, following payment, a team decides not to participate, the full payment, minus a $100 holding fee, will be returned if the team notifies the Sparta Education Foundation of their intention to withdraw prior to 4/15/17. Following 4/15/17, teams will be reimbursed the full payment, minus a $100 holding fee, only if a replacement team can be named.

Inclement Conditions/Weather Cancellation Policy

Unfortunately, no refunds or credits take place for cancellations of all or part of an event due to weather. These occurrences are rare but do happen. The policy toward weather impacting an event is as follows:

1) No racing takes place with any visible lightning
2) Racing does take place under rain conditions
3) Racing does not take place if the water conditions cause a significant risk to participants on the water, due to wind or other potential external factors.
